

PUTTING YOUR INTERESTS FIRST

I believe in placing your best interests first. Therefore, I am proud to commit to the following four fiduciary principles:

I will always put your best interests first.

I will act with prudence; that is, with the skill, care, diligence, and good judgment of a professional.

I will not mislead you, and I will provide conspicuous, full and fair disclosure of all important facts.

I will fully disclose and fairly manage, in your favor, any unavoidable conflicts.
